# The Season of Momentum Volunteer Opportunities

Accounting Aid Society volunteers help taxpayers obtain an unexpected influx of cash, save hundreds of dollars in fees, and become more financially secure. Our incredible volunteers are responsible for millions of dollars annually returned to taxpayers. The economic impact your service provides is enormous!

## Preferred Appointment Club (PAC)

This is a great pre-season opportunity (December) for those looking for an introduction to volunteering with Accounting Aid Society. You will make a direct impact in our community by calling existing clients to schedule tax appointments. Each volunteer commits to a 4 hour session that includes training.

## Tax Preparer

Not an accountant? Not a problem. We give you tax law training and on-site expert support so you can confidently complete accurate returns. All we ask is a minimum commitment of 30 volunteer hours during tax season (January-April), and flexible hours are available at multiple locations to fit your busy schedule.

## Low Income Tax Clinic Advisor

If you are a CPA, attorney, or Enrolled Agent, you can help Accounting Aid Society clients who have disputes with the IRS. They need expertise and representation to make appeals, settle disputes, and untangle cases of identity fraud. Dealing with the IRS can be stressful. You can be the expert that makes all the difference.
